TERMS AND CONDITIONS

By placing an order with Corp Design, customer agrees to the latest Terms and Conditions posted onto its website.

GENERAL INFORMATION

Prices shown are list prices. Corp Design reserves the right to make changes in design or construction without prior notice.

AVAILABILITY

Corp Design maintains a high level of inventory in our In Stock Program throughout our regional distribution centers. Our inventory is refilled on a regular basis, and orders are filled on a first come first served basis once a confirmed order is placed and an order acknowledgement is received. A 50% deposit is required in order to hold inventory based on availability. Corp Design will hold product up to 30 calendar days. Deposit will be forfeited after this period unless a written cancellation request is submitted within 30 calendar days or a confirmed purchase order is received. Please note: large orders may require an extended lead time. In the event an item is not available, two options may apply that require written authorization from the dealer:

- **OPTION 1**

Partial ship available quantity and back order remaining items — minimum drop off charges (if applicable) apply to BOTH the initial partial shipment as well as any subsequent back order shipments.

- **OPTION 2**

Hold until complete order is available through Corp Design's regular inventory replenishment for the distribution center where the order is being fulfilled.

SPECIAL ORDER OR CONTAINER ORDER PROGRAM

A 50% deposit is required to enter your order into production. A minimum quantity is required, please call for details. Products are shipped to any point of destination within the continental USA in approximately 12–16 weeks.

ORDERING PROCEDURE

An approved credit application is required to open a Corp Design account and process an order. Orders can only be accepted from authorized Corp Design dealers. Orders from customers without a previous Corp Design credit rating will have to be pre-paid. Corp Design does not accept verbal purchase orders or revisions. Orders are accepted via email only. Please email purchase orders to your assigned CSR.

ORDER ACKNOWLEDGEMENT

Corp Design sends acknowledgements on all orders. Please review the acknowledgement carefully and advise us immediately of any discrepancies. The Order Acknowledgment is the final agreement between Corp Design and the customer, superseding all previous communication regarding that order.

CANCELLATION AND ORDER CHANGES

- **IN STOCK PROGRAM**

Cancellations or revisions will not be accepted after the order has shipped.

- **SPECIAL ORDER PROGRAM**

Cancellations or revisions will not be accepted after the order has been acknowledged and entered into production and any deposit made will be forfeited. All shipments are FOB point of shipment. Pricing is based on standard delivery (8am to 5pm Monday through Friday). Corp Design reserves the right to select the most

appropriate carrier and routing on all shipments. Orders requiring special delivery services (including but not limited to the following) will incur additional charges: Assembly charges, Inside delivery, Installation, Call before delivery, No dock delivery, Non standard delivery time, and Residential delivery.

CLAIMS

- **Freight Damage | Refusals | Shortages**

Corp Design Customer Service will administer the filing of these claims if the order is shipped via our designated carriers. All claims must be filed with Corp Design within 15 calendar days of receipt of goods. Claim will be disputed if product is moved from original 'ship to' location. In order to expedite the process, you will need to send us a copy of bill of lading with notation of any visible damages, refusals or shortage. Corp Design will not be responsible for filing claims if order is shipped via the customer's selected carrier.

- **MANUFACTURING DEFECT CONCEALED DAMAGE**

Claims for a manufacturing defect or concealed damage must be filed with Corp Design within 15 days of receipt of goods. In order to process your claim, we will need a digital photo and a properly fill Corp Design claim form

- **WARRANTY ISSUES**

Claims for warranty issues must be filed with Corp Design. Original invoice number, detailed description of issue(s) along with a digital picture will be needed at the time the claim is filed.

*All claims MUST be filed through Corp Design's website.

Fabric and finish colors may vary in catalog reproduction and dye lot.

PARTS REPLACEMENT

Replacement parts are available from our distribution center.

RETURNS

Not accepted.

WARRANTY

Corp Design warrants its products to be free from defects in material and workmanship under normal use and care. This warranty is made only to the original end user within the following periods from the original date of purchase:

DESKING

* Lifetime warranty on non-moving parts.

* Ten (10) years for slides, leveling glides, locks and other moving parts.

SEATING WARRANTY

* Lifetime warranty for non-moving parts.

* Ten (10) years for mechanisms, gas cylinders, other moving parts and upholstery materials and foam.

This warranty is based on an eight hour, single shift work day for users weighing up to 250 pounds or otherwise as noted. Corp Design will at our discretion replace or repair any product that is defective in materials or workmanship, given normal use and care. Variation of wood, leather or any other natural materials are not considered defects. This warranty does not cover: damage caused by transportation; cost of transportation or labor; normal wear and tear negligence, abuse, accident or misuse by the purchaser. This warranty will not apply if the chair have been altered, repaired, refurbished or re-upholstered by the purchaser. This warranty is not valid if the products are used for rental purposes.

LIMITATION OF LIABILITY

Under no circumstances, including but not limited to breach of contract, breach of warranty or negligence, shall Corp Design be liable for lost profits, loss of goodwill, stored data, general, special, consequential or exemplary damages, even if Corp Design had notice of these damages or they were foreseeable. Corp Design shall not be responsible for verifying dealer's or customer's description of needs, data, or the fitness for a particular purpose of goods. Corp Design's liability in all cases shall be limited to repair or replacement of the defective parts, or the purchase price of the product. Damages resulting from misuse, abuse, alteration,

negligence, or accidents are not covered under this warranty. Except as otherwise provided, Corp Design makes no other warranties, expressed or implied, including but not limited to the warranties of merchantability and fitness for a particular purpose.

CARE AND MAINTENANCE

- dust all surfaces on a regular basis with a soft damp cloth, in the grain direction; do not use spray polishes or those containing silicone.
- lift all objects when moving ; never drag objects across the finished surface; sharp metal objects such as keys, spring binders and briefcase hinges should be kept from contacting the finished surface.
- wet objects should be placed on coasters; use a desk pad for writing.
- bottoms of items like flower vases and desk accessoriesshould be protected.
- contact with certain plastics may result in discoloration and finish damage · use of felt pads under electronic equipment is recommended.
- furnishings exposed to ultraviolet rays may change color.

Corp Design's hardware is selected for easy maintenance.

Certain precautions will help to keep these items last:

- lubricate the housing and ball bearings of drawer suspensions every six months with a high quality petroleum jelly type lubricant.
- use a window type cleaner, sprayed onto the cloth, to clean pull hardware.
- ·furniture settles over time, to ensure correct drawer alignment, check unit is level and adjust glides as required.

THE POTENZA SERIES

The Potenza series propose a unique style, a versatile design and a variety of options. The quality and workmanship is the best in the industry.

- Our low glare thermally fused Laminate offer a rich wood grain texture and feel
- The matching 3mm PVC edge offers comfort and protection
- The hardware selection such as pulls, grommets and aluminum frames with glass provide a luxurious vibe to your office space.
- The density of our board material is 0.6-0.7g/CM3, the highest TFL/LPL level in the industry*
- CARB Phase II / TSCA TITLE VI compliant
